Notes:

**Point to Ponder...**

Are you looking past your personal prejudices  
To bring God's message to others?

**This Week's Challenge**

Take a few minutes each day and  
read through John 4:1-42

## Today at Richmond:

**Critterland** is a worship program for ages 4 and 5 that incorporates hands-on learning and age-appropriate activities to help children learn to grow spiritually and to glorify God in their daily lives.

**Treasure Island** is a live, interactive, Worship Program that uses live drama, multi-media and power-packed Bible truths to lead kids ages Kindergarten–grade 5 into a vibrant personal relationship with Jesus.

**Offering:** You may notice that there are no offering plates being passed during the service. We have replaced the offering plate with a joy box that is attached to the wall next to the center door. Please drop your offering in that box.

**Additional Information:** An information sheet with upcoming events can be located next to the bulletins.
